

We listen to K-LOVE 90.9(Chugwater, Laramie, & Cheyenne, WY) and 91.3 FM(Scottsbluff, NE) in Wheatland, WY. It is the only Christian station we receive, and I know many Christians in our small town who are as grateful as we are to receive this signal. Were you to expand to a LPFM broadcaster in our area, we are worried that this would force K-LOVE off of the air. Please do not take this small comfort from us. We appreciate the family-friendly programming, and a LPFM may not allow us this. Thank you, The Whelchel Family
